**Karen Bryant**

Diane, Marilyn & Family ... Marilyn it was very nice to have met you under these very sad circumstances. My deepest condolences to you all. Sandy passed so young but I guess she is wanted up in heaven. Thank God for the suffering to end.

Sandy has always been a very strong person and a mind of her own, i liked that in her. We have worked together for many years. I will miss seeing her across from my office every day.

May God send his love at this very difficult time to you both and the rest of the family.

Unfortunately, I am on vacation and will not be able to attend the funeral on Thursday.

I will in Sandy's honour enjoy a couple of cold beers and send my cheers to her in heaven.

R.I.P Sandy xoxo

No words can express how sad we are to know Sandy has passed on. We will never forget her smiling face or her choice of words..." Nothing good is coming from that"..... Girls weekends will never be the same. Work will not be the same not having the breaks and chats we all enjoyed with her company. May the family stay strong during this time. Our hearts go out to you all. So sorry to lose a great person that touched all of our lives in so many ways. Cheers my friend. Will always miss you. Love the Kirkton's.

Dear Marilyn and family

I was so surprised when I looked at the computer and seen Sandra had passed away.

I remember babysitting Sandra and her siblings when my family lived next door to you on Albert St.

I am on holidays in New Brunswick but my thoughts and prayers are with you at this sad time, but she will be joining her Dad and free of pain.

R.I.P. Sandra

Our thoughts are with with you Stevie and Randa . Sandy was a great friend, who always cheered us with her presence and smile. We had many great times together; whether it be football season, friday the 13th, or just getting together with the gang. She loved life with great enthusiasm, which we will never forget!!

A cheer to you Sandy!!
