Deepest sympathies to Jack's family and friends. He was a kind-hearted man that was always fun to be around. No matter what was going on, he had a knack for brightening my day.

He will always be employee #1 in my opinion.

To Donna & your entire family, Karen & I send you all are prayers and condolences. I have so many great memories of the fun we had during our many weeks and weekends away doing store setups and renovations. Our weekend in Picton is definitely special because we got to celebrate Jack's birthday while on site. I have lots of memories and smiles to remember Jack with, so I can only imagine the stockpile of fun times that you and your family will share over the next few days and years. A great man who left us too soon.
