Roger and Krystalann

My heart pours out to the both of you.
Such a terrible thing to happen to such a great person.
The three of you were quite the team.
I have fond memories of the holidays and times together
with you.
I will pray for Maryann and you.
Rest assured that Maryann is watching over you still.
God bless her soul.
Joe

We will hear your voice no more. I know that you feel our tears and you don't want us to cry. Yet our hearts are broken because we can't understand why someone precious had to pass. I pray that God will give us strength and somehow get us through as we struggle with the heartache and loss that came when you left. Love you to the moon and back#

Dear Shingler family, no words can express how sorry I am for your loss, I had the privilege to meet and work with Maryann but unfortunately our time got cut short by this tragedy. She was always in a good mood, with a smile that none of us can forget and always wanted to help in any way she could.

I know from my heart that wherever she is, she will continue her journey and be near you all, I can only hope that time will help ease your pain.

I pray for her and all of you to give you strength to carry on. My deepest condolences to the family!!!!

I was greatly saddened by the passing of Maryann. We were great friends in our teens and lost contact with each other over the years. My condolences to Maryann's family.

Oh my goodness I am so shocked in the passing of Maryann. I know Maryann from high school. We always had so much fun together. Her and I share the exact same birthday which we got a kick out of when we found out. I think Maryann was one year older than me. I send my heartfelt condolences to all the family in this time of much sadness. God bless you all.

I am saddened and shocked to hear the passing of Maryanne today. We met many years ago before husbands and children and she always remained the same... beautiful and kind. I feel blessed to have had Maryanne in my life. Although we lost touch when she moved away, she was always on my mind. My thoughts and prayers are with her family at this time.
