Hello, Stan,

Wednesday morning coffee won't be the same without you. We had a coffee in your honour yesterday, heard your sunshine-filled voice and remembered your charming stories, always with Darlene as the lovely, leading lady. You will be missed and remembered, fondly - as our true and constant friend.

My Deepest Sympathies to you and your family at this sad time. It was a pleasure to have worked along side of Stan, he always had a smile and a joke he was always whistling and just seemed happy all the time. When he retired I so looked forward to his visits for coffee. He will be missed and fondly remembered.
