Ann, Kevin, Michael, David and families, The blessing is that your Dad isn't suffering anymore, but the world has lost a very special man. I only knew him before he became sick: The man who put his family first. Such a loving and proud father and a husband who loved and cherished Fran, you're Mom, whole heartedly. The man that was always welcoming and generous of nature. Always a gentleman. I am so sorry for your loss. Love you guys, Jackie Pigott.

Dear Ann, Michael, Kevin and David,

We are deeply sorry for your loss. I have very fond memories of Uncle Mort; especially spending time with him and all of you at the cottage when I was a kid and riding those ATCs. I also remember Uncle Mort teaching me lessons about nature which have stayed with me all of these years. He was a good man and a wonderful uncle. It brings me comfort to know that Aunt Fran and Uncle Mort are united. They're a magnificent couple. You are all in our thoughts.

Love Liam, Erin, Marley and Lauren.

I well remember Mr. Quinlan from the year I coached Kevin in CYO hockey many years ago. Kevin was always polite and respectful so he obviously was raised very well. The one item that comes to mind however was at the end of the season. Our team won the A division and we also had the top scorer. Kevin joined us halfway through the season and was clearly the best player in the league, however the head of the league told me that they wanted to give the MVP award to a player on another team as we had taken the other two league awards. I could see the reasoning and discussed this with Mr. Quinlan and he agreed. We gave Kevin the news and he was fine with it. Great maturity for a ten year old and again showed the fine influences he had at home
