Dear Lionel, Kenneth, Glenn, and extended family.

We are so sorry to learn about Ilona's passing and wish to extend our deepest sympathy with your loss.

We remember her with fondness, especially the years that she worked for and with us at the flower shop; she was so dedicated, loving and supportive as we worked together.

Unfortunately, we are unable to contact you and are not be able to attend the memorial service either.

We are thinking of you all and pray for God's comfort and His nearness.
