Shirley, I am so very sorry. You and Neil were always such wonderful, warm people. Always so welcoming and kind, definitely "good people". Over the years I never saw you that it did not make me happy. I am so sorry for your loss and thinking of you and your family. Carolyn

Shirley and family - so very sorry to hear of Neil's passing. We all have warm memories - Neil pitching on the mound and Dad catching (great team!), snowmobiling at your place and Friday nights at our place after the game. Over the years, when any of us ran into you, we were always greeted with big hellos and friendly hugs. Our condolences.
