I was Mr. Jacenty's student in grade 7 metal shop at Bloordale Middle School in the early 1980's. I read his obituary in the Toronto Star. I remember Mr. Jacenty as a strict (absolutely required when you're trusting 12 year olds to work

with a blow torch and forge!) but funny teacher. I will never forget his safety motto "A before O or up you go!" . May he rest in peace.
