**Paul (brother)**

We always loved getting together singing old country music songs with Don playing the guitar. Great and long lasting memories. Gone but not forgotten.

My sincere condolences to Ellen's family, may the good memories you have offer you peace and comfort during these times. Ellen worked as a minute taker at numerous board meetings and was well liked and respected by many of the condominium boards she worked for. Always enjoyed going to Jaspers fish n chips with her prior to a board meeting and having a quick chat with her after the meeting was over. We had some good times together over the many years we knew each other
