words cannot express how horrible I feel for you at this terribly difficult time. Try as we may, nothing can prepare us for the devastating blow we must endure when we suffer those lose of someone we love so much. Pool your resources and draw strength from your family and friends. Renee I feel so blessed to have known the kindness of your parents. Over the years I have seen how much their generosity and kindness have made a positive difference in the lives of so many. No words can express the sadness felt for your loss nor can words make it easier for you at this time, but take comfort in knowing your mom was a special lady who meant a great to not only me and my family but many others.

Condolences to Faye's family and friends, she was far too young to be taken from you and from the few times we met Faye over the years it didn't take long to realize what a kind person she was. RIP Faye.
