Still deeply sadden by the sudden loss of Malcolm. Not only was he my colleague and mentor for 31 years but over the years I considered him a treasured friend. Like many I will miss his sense of humor, his guidance and his gentle manner but most of all I will miss his "Yes you can!" when I said I couldn't, his "Yes you are" when I said I wasn't strong enough and his "I knew" when I didn't believe in myself. Rest in peace my friend, you left us to soon but you will be with us forever in our hearts and memories.

I have known and worked with Malcolm for the past 21 years. In particular the past 11 years as a colleague and Co Trustee and Director. His dedication and integrity were unsurpassed and paramount in everything he did. He was always a true professional and a wonderful human being. I will miss him.

I was deeply saddened to hear that we lost Malcolm. Malcolm was a trusted associate of my Father's and an integral part of the Doubletex/Seagate businesses. He was someone who had his finger on everything and was enormously helpful anytime I had a question. To his children I know you have suffered an immeasurable loss. Your Father was a kind soft spoken man for whom I had the utmost respect. Please know that I am thinking of you at this difficult time, and that your Dad will live on in the hearts of all those who loved him.

I was heartbroken to find out about Malcolm's sudden passing. Malcolm was a trusted confidant/advisor/friend to me and my family for many years. I will miss our many conversations, giggles, and walks down memory lane. My heart goes out to Malcolm's entire family. Please know that he was a treasure to many who knew him and worked along side him. His spirit lives on in all of you.

My deepest condolences to the Walker family. I have known Malcolm for close to 30 years. He was trustworthy and honest. My late father trusted and respected him.
Rest in Peace Malcolm.

I was shocked and saddened to learn of Malcolm's passing. We worked together for 25 years. My forever memories of Malcolm are of his passion for college football, his quiet/private nature (just learned now what that "S" stood for in his name) & that he needed way more than an hour for lunch because it took him forever to eat. I was in contact with him after his retirement & even though he said it was taking him a while to get used to, he was enjoying it.
My condolences to the Walker family.
Rest in Peace, Gentle Giant.

Deeply saddened by Malcolm's sudden passing. My condolences to the Walker family. I worked with Malcolm over 30 years, and loved to talk with him about sports trivia, and movie and TV show trivia because Malcolm's knowledge of these topics was so immense. Whenever, there was an NFL or NBA draft he knew the players beforehand.
I miss you Malcolm. Rest in Peace.
