Condolences Dorothy, to you and your family upon the loss of your brother Bob. Bob passed away exactly one week after my own brother Roy, last week, in Port Perry.

They both are at rest now and our families are ever shrinking, but the memories last forever.

I miss seeing you at BK Dorothy. Nothing stays the same it seems.

Take care of yourself, and RIP Bob.

Met Bob in mid 60's. Biked with him thru the 70's. Had a chance recently to reminisce with Bob with in Marmora before the planet got locked down.

There's a million Bob stories out there, and his sense of humour was hilarious.

Here's a sample...

Bob is in Oshawa Hospital, in traction while broken leg mends. Nurse stops by and says "we are going to need a urine sample, I'll be back a bit later to pick it up".

Right behind the nurse comes the juice cart. Bob gets an apple juice and fills the sample bottle with apple juice.

A bit later, the nurse is back, and Bob holds up the sample. She says ... "Bob, it looks awful murky".

Bob says "I think your right, lets run it thru again". And with that he picks up the sample bottle and drinks it.

The nurse, she is horrified.

Bob, he's just a chuklin.

Was a pleasure to have known him. Will be missed.

Boots Cockburn had a Harley Pan Head Chopper in the 60's and no one could light up Simcoe Street N. like Bob could on that bike with 327 car pistons in the engine!

Boots was always there to welcome new members into the club and make sure they were right at home. We put on lots of miles that created great stories we will all think of forever.

Condloences to Bob's family and many friends.

Your brothers will miss you and remember you always.

RIP. Love Brother Augie GHR.
