Thinking of all the family at this sad time. Although we did not get to see Verna often she will be always be remembered for her great sense of humor and joy of life. She always had a smile on her face and a story to tell. We have such fond memories of Verna and Jack's trip to the east coast and of sampling both our liquid and food treats! Often to her despair!

Verna always seemed her happiest when she was staying and entertaining at the cottage.

We also remember Verna for her great dedication to her church and for her endless search for new ideas for crafts for her church bazaars.

Verna leaves a great void in everyone's life. She is in the thoughts of many at this sad time.

With our deepest sympathy

Pete and Wendy
