My thoughts are with the family and friends of this amazing lady. We shared a lot of laughs and life's insights with each other and I am forever grateful. From backgammon games, making Santas, and folding fitted sheets together, I learned so much from this beautiful and talented soul. Barb will forever be in my heart and memories.

I was very sorry to hear that Barb passed away and am sorry too that we lost touch over the years. I have very fond memories of this classy, intelligent and kind woman whom I worked with at her company, Benefit Design in the late eighties. My condolences to her loved ones.
