Words may not wipe away your tears
And hugs may not ease the pain but hold on
To your memories because forever they will remain.

My thoughts are prayers are with you all ?

I'm truly sorry for your loss of such a wonderful woman. She truly was a pleasure to be around. I will never forget the days we spent together. I was her psw and will never forget our lunch visits eating and watching Murdoch mysteries. May you rest in peace and be forever in our hearts.

God bless you MOM! Love you forever! You are an angel in heaven now, Forever in my heart. Always will remember the old black and white movies we watched together . Because of your love of these movies, and especially the musicals, I still watch them today!

We used to like getting suntans together in the backyard, and we loved clothes and jewelry and perms! We went for walks together when we lived on Gerrard and sat on the porch on the old couch watching the world go by.

I cried, when you cried, and always wanted to protect you from your hardships, and we had plenty. You always, rose to the challenges Mom, as best you could!

Even your last challenge of Alzheimer's! Thank you to my family for always taking care of Mom and loving her, especially Kelly, who was 100 per cent involved in my Moms care and loved her so much! Love you so much Mom and thank you for opening up your eyes and smiling at me when I said goodbye last Wed! ???
