My sincere and deepest condolences to all the family. I have had the pleasure to be around this family for many years and have created so many memories of Helena and George. We met at the lake, sat by fires, playing cards, singing, and just having many fun times. We shared good times, and sad, but most of all, we created many memories which I will hold dear to my heart. She was a wonderful lady with a big heart, and touched many with her smile and laughter. Family was very important to her, and she always made me feel like I was part of her family, and I want to thank her for that. She will be missed by all. Rest in Peace my Friend. Love Cheryl xo

Our condolences go out to her family and friends. She will always be remembered as a pleasure to be around with all her smiles and sense of humor. I spent hours sitting around grandmas table with her and grandma. Time I cherish deeply. Aunt Helena, I will miss you always. RIP
