I worked with Lawrence for several years when he first started at OPG, staying in touch occasionally since then. Lawrence will always be remembered for his bright smile that never seemed to leave his face. He was a positive influence on everyone around him and a dedicated worker. It was a honor to have known him and he will be remembered with fondness and respect of a lovely person.

Carole,

Our thoughts/prayers are with you and your family at this difficult time. We will always remember Lawrence with his warm, pleasant, caring greeting. Carriage Country will certainly miss the many hats he wore at the church, i.e. maintenance, filling in for the pastor, solo performances, evening services when we had the prophecy videos, etc. etc. etc.

He will be greatly missed, but with his unwavering faith in the Lord, we know where he is today.

God Bless,

With love,
Cindy & Walt

I was very surprised and saddened to learn about Lawrence's passing. He will be remembered for his smile and kind ways. When I think of Lawrence, I recall him as a teenager in high school when he was in the same grade as my sister Kathryn, and then in his early twenties

when he visited while in Vancouver. I send my deepest condolences to his family and friends.
