As owner/residents at SF3 we had the pleasure of meeting "Jake" when we switched security companies in the Fall of 2020. He immediately improved the quality and efficiency of concierge positions in the building. "Jake" had a great sense of humour and he was both personable and professional in his duties. The responsibilities and duties of the concierge staff was greatly taxed by the Covid situation, yet "Jake" carried on to the best of his abilities. We will miss him.

To his family and friends, kindly accept our condolences on your loss, but we can all take solace that he has gone to a better place and is no longer suffering.

I was welcomed to SSBB in the summer of 2020 by this terrific and so engaging gentleman. He was not only efficient at his job as head concierge but a wonderful, engaging and very caring human being. You will be missed by many here at SSBB and certainly by me! I sincerely hope that you are enjoying your ever after!
