Dear Barb ,my heart goes out to you and your family at this horrible time. I did love to banter with Mike and he was a true gentleman. I know you will make it through this with the help of your fantastic family. Your friends are here for you too. Sending love.

Dear Barb, Laurel, Sean, Brian, Lady, and family,

I am so very sorry for your loss. He was always lovely to talk to; always made me feel welcome during my visits; especially during the ArtsSmarts project years. He was a kind man who was extremely proud of his family; a wonderful husband, father, grandfather, great grand father, and doggie dad.

May the strength of family and friends, along with beautiful memories, help you all through this difficult time.
