As a colleague of Lisa's, I was saddened to hear of Lynda's passing. Having worked with Lisa for years I can only imagine what a powerful loss this must be on her and the entire family.

When I think of how witty, smart, courageous, strong and compassionate Lisa is, I imagine that her mother must have been so much the same. Our mothers make the strongest mark I find, and so often the similarities between mother and daughter are striking.

My most sincere condolences to Lisa, her brothers and the entire family.
